CERTIFICATE

Active CSM certification with Scrum Alliance, completion of this course and documentation of at least 12 months ScrumMaster experience on your Scrum Alliance profile.

CUSTOMIZATION

All Ignite Insight + Innovation courses can be slightly customized at an additional cost.

Enhance and ignite your depth of ScrumMaster facilitation skills in leading a collaborative, engaged and self-organizing team.

Advanced Certified ScrumMaster (ACSM) picks up where Certified ScrumMaster (CSM) leaves off, helping ScrumMasters with the real day-to-day challenges of cultivating high-performance teams and organizations by increasing the leadership skill of facilitation. This course explores how to engage all the voices in the Scrum Team, deal with impediments, address real facilitation challenges in Scrum events, and uncover what drives people for long-term wins.

TOPICS COVERED

What is an Agile team leader

- ◇ Identify quality ScrumMaster characteristics, qualities, values and skills
- ◇ Assess the mindset, approach and skills to lead an Agile team

How to effectively facilitate a scrum team

- ◇ Explore the power and potential of facilitation tools/skills
- ◇ Examine frequent facilitation challenges
- ◇ Practice designing, facilitating, and evaluating several events using an expanded facilitation toolbox

How to identify and conquer common Scrum challenges

- ◇ Practice techniques to deal with conflict, collaboration and decision making
- ◇ Evaluate how engineering principles and practices can help teams deliver value
- ◇ Observe the power of using professional coaching for challenges
