is provided.

CUSTOMIZATION

All Ignite Insight +
Innovation courses can be
slightly customized at an
additional cost.

Enhance and ignite your depth of facilitation skills in leading collaborative, engaged and self-organizing teams.

High performing teams collaborate to achieve the desired results. In order for collaboration to effectively occur, leaders must focus on creating environments where all voices are engaged and heard. An essential leadership skill to aid in this goal is facilitation. This course explores how to design meetings focused on teamwork, address real facilitation challenges, and uncover what drives you and your team for long-term wins.

TOPICS COVERED

What is facilitation for leaders

- ◇ Identify leadership characteristics, qualities, values and skills
- ◇ Explain the goal and responsibilities of facilitation
- ◇ Assess the mindset, approach and skills to lead teams

How to effectively facilitate a team

- ◇ Explore the power and potential of facilitation tools/skills
- ◇ Practice designing, facilitating, and evaluating several meetings using an expanded facilitation toolbox

How to identify and conquer common facilitation challenges

- ◇ Examine frequent facilitation challenges
- ◇ Practice techniques to deal with conflict, collaboration and decision making
- ◇ Observe the power of using professional coaching for challenges
