

IMPACTFUL TRAINING & SPEAKING

Ignite your ability to influence others with proven training and speaking methods that enhance the transfer of knowledge.

DESIGNED FOR

Leaders
Educators
Trainers
Coaches
Facilitators
Speakers

Are you finding yourself repeating information over and over? Chances are high that you have been telling people, not training people. The difference comes down to effective engagement which enables better information retention. This course is an accelerated learning model leveraging *Training from the Back of the Room* concepts and tools, advanced application exercises and practice impactful speaking techniques.

14 SEUs

TOPICS COVERED

What is essential in learning retention

- ◇ Discover how the human brain really learns – and how that differs from traditional assumptions about learning
- ◇ Experience six powerful learning principles based on the best of brain science
- ◇ Practice the six key factors in long-term retention

CERTIFICATE

Upon completion of active engagement in the course, a certificate of completion will be provided.

What is critical for creating engaging environments

- ◇ Learn how to create an engaging environment that results in high collaboration
- ◇ Gain a trainer's tool bag of practical strategies you can immediately use every time you teach or facilitate others
- ◇ Practice designing your meetings and/or trainings
- ◇ Practice delivering tools to increase engaging collaboration
- ◇ Experience the tool, examine the tool from a behind-the-scenes perspective during the entire course delivery
- ◇ Examine advanced application of principles in a variety of mediums
- ◇ Dissect and practice impactful speaking techniques

CUSTOMIZATION

All Ignite Insight + Innovation courses can be slightly customized at an additional cost.
